Announcement of Award at Asia Pacific Cell & Gene Therapy Excellence Awards 2026

AnGes Inc. is pleased to announce that the company has been honored with the “Best In Vivo Gene Therapy Developer in APAC” award at the Asia Pacific Cell & Gene Therapy Excellence Awards 2026.

This award recognizes companies and organizations that have made outstanding contributions to the advancement of the cell and gene therapy field in the Asia-Pacific region, evaluating excellence in research and development, manufacturing, and innovation. The awards ceremony was held on June 30, 2026, at the Sands Expo & Convention Centre in Singapore, and was attended by numerous industry professionals, including leading biopharmaceutical companies and related organizations from across Asia.

Through this recognition, our company has further strengthened its reputation in the field of cell and gene therapy in the Asia-Pacific region.

We will continue to contribute to the advancement of healthcare through the development of innovative gene therapy technologies.
